

BITS & PIECES

PRODUCT NOTES ✨ **Chocolate** prices have edged up in the last few months as the market adjusts to rising cacao, sugar and milk prices. We saw an increase of .25¢ - \$1.00 in the price per pound depending on the product. ✨ **Pure Vanilla Extract** continues to be a great bargain right now! If you haven't tried PURE in a while, many of our ICE CREAMERIES swear it takes the flavor up a few notches! ✨ **Macadamia** prices have increased nearly nearly 30% since last year! **ORDERING** ✨ We'd like to remind you how much on-time ordering helps to keep prices low as well as errors to a minimum. Because labor is our biggest operating expense, we have invested in technology to help us process your order. However, this means that... **Your order MUST be in before 10:00 AM on the business day before your delivery day.** At 10:00 AM, we send a computer tallied "pull-list" to the warehouse for loading into the trucks and batch print the labels and invoices. When your order is late, we need to both pull your order and enter the labels *by hand*. This increases the chance of error and takes us much longer. A processing fee of \$5.00 is applied to orders placed after 10:00 AM for next day delivery. Help us to keep prices low by placing your orders on time! **UPS SHIPMENTS** ✨ While IN A NUTSHELL offers free deliveries to most of the Greater Bay Area on a weekly basis with a low minimum order, many of our customers are located outside our delivery zone. Most California areas are delivered in 1 day! **REMINDER** - We ship UPS Monday through Thursday from May 1st - October 31st and ship UPS Monday- Friday during the cold season.
